Directors Message

Director, IPER – Bhubaneswar

Institute of Professional Education and Research, Bhubaneswar, a premier professional institution in Orissa, is a flourishing cauldron of excellence in management education, high quality research, executive development, and value added consultancy.

Leveraging the commercial and industrial activities in the surroundings region, the Institution will seek to build an innovative and productive platforms between its academic programs and industry from the area in order to harness the synergies therein most efficiently. The institute is committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We strongly support interdisciplinary research and development for the benefit of Industry and Society.

Tomorrow's Professionals are required to possess an optimal mix of knowledge and professional skills. They are also required to possess the capabilities to cope with the fast changing technologies, while at the same time exhibiting high professional competence and moral aptitude.

The students of each course have their own association to guide them in building their awareness through their representations in co-curriculum activities such as Seminar, Conventions, Technical Contests, Expert lectures, Industrial Visits, Industry -Institute Interaction and other Extra-Curricular Activities. The Institution has an independent Training and Placement cell with representatives from each department to take care of the student's practical training and placements including the necessary career guidance.

Our multiple professional programs aim to serve many sections of society and many areas of management. We are also planning to serve you in many other ways. The door of my office is always open. Don't hesitate to contact me with any concerns or suggestions, or to work together in developing ideas that will ultimately benefit to everyone.

I welcome you to explore the wealth of opportunities at the Institute of Professional Education and Research, Bhubaneswar.

Sincerely,

Saroj Kanta Sahoo

An Alumnus of IIT, Kharagpur
