P.hD Programme-CMJ University

The CMJ University has framed its own guidelines for admission to the Ph.D. Degree in the light of the UGC (Minimum Standards and Procedure for Award of Ph.D. Degree) Regulations 2009.

Eligibility : A Master's Degree in the relevant subject with minimum 55% mark. Those having M.Phil. Degrees will be preferred.

Duration : Two to Five Years.

Selection : The Ph.D. Scholars are selected on the basis of an Entrance Examination conducted by the CMJ University at different locations in India in the last week of June and December every year.

Admission : The selected candidates will be required to submit a synopsis in consultation with his/her Research Supervisor. Based on the clearance from the Research Board of the University, admissions will be confirmed by also notifying the specific topic for research selected by the Research Scholar who will start researching on the notified topic.

FEE : The selected candidates will be required to pay the tuition and other fee as mentioned below :

Admission & Registration Fee	36,000
Deposit after Registration	30,000
After 6 month of Registration	30,000
After 1year of Registration	30,000
